

Everything Will Be Okay

Directions

1. Cut a piece of Basic Gray cardstock that measures 11" x 4 ¼" and score at 5 ½". This will be your card base.
2. Cut a piece of In Good Taste Designer Series Paper (DSP) that measures 5 ¼" x 4" and adhere to the front of the card.
3. Cut a piece of Basic Gray cardstock that measures 3 ½" x 3". Cut a piece of In Good Taste DSP that measures 3 ¼" x 2 ¾" and adhere to the Basic Gray. Add Stampin' Dimensionals to the back and adhere to the front of the card.

4. On a piece of Whisper White cardstock, stamp the sentiment in Basic Gray ink. Cut it out using the Hippo & Friends Dies. Cut a larger shape, using the same dies, out of Basic Gray cardstock. Adhere the two pieces together. On the back add Stampin' Dimensional to the left and center. Adhere to the front of the card.
5. Add three Elegant Faceted Gems to the front.
6. Cut a piece of Whisper White cardstock that measures 5 1/4" x 4". Cut a piece of In Good Taste DSP that measures 4" x 1/4" and adhere to the Whisper White. (I used a quarter inch strip because I had a scrap that size but up to an inch would look nice). Add glue to the back and adhere to the inside of the card.
