

Flowering Foil

Directions

1. Cut a piece of Pacific Point cardstock that measures 11" x 4 ¼". Score at 5 ½" and fold in half. This is your card base.
2. Cut a piece of Seaside Spray cardstock that measure 5 ¼" x 4". Place inside the Eyelet Lace Embossing Folder and run through a die-cutting machine. Adhere to the card base using Multipurpose Glue.
3. Cut a piece of Flowering Foils Designer Series Paper (DSP) that measures 4" x 3". Using a dauber and a Seaside Spray ink pad, rub ink over the paper until you've achieved the color you'd like.
4. Cut a piece of Copper Foil that measures 4 ¼" x 3 ¼" and adhere the Designer Series Paper to it using Multipurpose Glue. Add Stampin' Dimensionals to the back and adhere to the front of the card

- To prepare your Whisper White cardstock for embossing, rub an Embossing Buddy over the surface of the paper. Using the stamp set, Timeless Tropical, stamp the sentiment using Versamark ink. Pour Copper Embossing Powder over the area and then shake off the excess. Heat your Heat Tool for at least fifteen seconds and then heat the powder on your paper and watch the magic happen! Cut the sentiment out using the Stitched Shapes Dies and a die-cutting machine. Cut a larger oval out of Copper Foil using the Layering Ovals Dies and then attach the sentiment to the front. Add Stampin' Dimensionals to the back and adhere to the front of the card.
- To the inside of the card, adhere a piece of Whisper White cardstock that measures 5¼" x 4".
