### **Directions**

1. Cut a piece of Soft Sea Foam cardstock that measures 5-1/2" x 4-1/4". This will be your card base.
2. Cut a piece of Garden Green cardstock that measures 5-1/4" x 4". Adhere to the card base.
3. Cut a piece of Soft Sea Foam cardstock that measures 8-1/2" x 3-1/4". Score at 4-1/4" and fold in half. Glue this panel to the front of the card using Multipurpose Glue or another strong adhesive such as Tear & Tape.

4. Cut a piece of Garden Lane Designer Series Paper that measures 4" x 3". Glue to the Soft Sea Foam panel.
5. Stamp the bird onto Whisper White cardstock using Memento Ink. Color the bird using Soft Sea Foam and Daffodil Delight Stampin' Blends. Using a die-cutting machine, cut the bird out using the Layering Squares Dies, leaving room at the bottom for the sentiment. Stamp the sentiment using Memento Black ink. (I prefer to stamp my image after I've cut the square but you can stamp it first and then cut it out).
6. Cut two more squares using Garden Green & Soft Sea Foam cardstock and layer them with the bird piece. Turn it over and add Stampin' Dimensionals to the the right side and attach to the front of the card.
7. Optional: Add a piece of Whisper White cardstock that measures 4" x 3" to the inside of the card.
