

Hello There

Directions

1. Cut a piece of Thick Whisper White cardstock that measures 11" x 4 1/4". Score at 5 1/2" and fold in half. This will be your card base.
2. Cut a piece of Seaside Spray cardstock that measures 5 1/4" x 4". Place inside the Eyelet Lace embossing folder and run through a die-cutting machine.
3. Cut a piece of Designer Series Paper (DSP) that measures 5 1/4" x 2". Attach to the bottom half of the Seaside Spray cardstock using Snail.

4. Wrap a piece of Seaside Spray Scalloped Linen Ribbon around the card, covering the area where the cardstock and DSP meet. Add a small amount of Snail to the back to secure the ends of the ribbon. Add Stampin' Dimensionals to the back and attach to the front of the card. On the front, place one glue dot underneath the ribbon, in the middle, to keep the ribbon (it will be covered by the sentiment).
5. Using the stamp set, I Say Hello, stamp the sentiment onto Whisper White cardstock using Seaside Spray ink. Cut it out using the Stitched Shapes Dies and a die-cutting machine. Cut a larger square in Seaside Spray using the same dies. Layer the two pieces together using Snail. Add Stampin' Dimensionals to the back and place on the front of the card.
6. To complete the card, add three rhinestones.
