

## Sachet Holder

### Directions

1. Cut a piece of From My Heart Specialty Designer Series Paper (DSP) that measures 12" x 3 3/4". On the 12" side, score at 1 3/4" and 7". Fold on the score lines to create the holder.
2. Open the holder and place your sachet (or treat) in the middle section. I did not add any adhesive to my sachet but you can add glue dots to the back, if desired.
3. Fold the bottom flap up and the top flap down to close the holder. Wrap 5/8" Whisper White Flax Ribbon around the small flap and tie a bow (this will keep your sachet secure).

4. On a piece of Whisper White cardstock, stamp the sentiment using Real Red ink and the stamp set, Heartfelt. Cut it out using one of the punches in the Heart Punch Pack. Attach it to a Heart Doily using Stampin' Dimensionals. Add Stampin' Dimensionals to the back of the doily and adhere to the holder.
5. Add three Red Rhinestones to complete the holder.

I have a video for this project on YouTube that you can access [here](#).
