

So Many Snowflakes

Directions

1. Cut a piece of Thick Whisper White cardstock that measures 11" x 4 1/4". Score at 5 1/2" and fold on the score line. This will be your card base.
2. Cut a piece of Whisper White cardstock that measures 5 1/4" x 4". Place inside the Winter Snow Embossing Folder and run through the Stampin' Cut & Emboss Machine. Adhere to the front of the card.

- Using the Stitched Rectangle Dies and the Stampin' Cut & Emboss Machine, cut a rectangle out of Whisper White cardstock and a larger one out of Balmy Blue cardstock. Stamp the sentiment onto the Whisper White rectangle in Balmy Blue ink and then adhere to the Balmy Blue rectangle. Add Stampin' Dimensionals to the back and adhere to the front of the card.
- Using the Stampin Cut & Emboss Machine and the So Many Snowflakes Dies, cut a snowflake out of Balmy Blue Glimmer Paper and another (different) one out of Silver Foil. On the back of the silver snowflake, add Mini Glue Dots to the center design (you'll need to roll the glue dots into balls) and adhere to the other snowflake. Add two Stampin' Dimensionals to the back, in the center, and adhere to the Whisper White rectangle.
