

## Thanks a Bunch

### Directions

1. Cut a piece of Thick Whisper White cardstock that measures 11" x 4 1/4". Score at 5 1/2" and fold on the score line. This is your card base.
2. Cut a piece of Magenta Madness cardstock that measure 5 1/4 " x 4" and adhere to the card base.
3. Cut a piece of Whisper White cardstock that measures 5" x 3 3/4" and place on a protected flat surface. Take a piece of blue Painter's Tape that's the same length as your paper, plus a little extra, approximately 6-7 inches and place it on your pants or arm to remove some of the stickiness (if you skip this part, it's possible you'll rip your paper

when you remove it). Do this several times. Then lay it on your paper where you'll be placing your sentiment.

- Stamp the flowers from the stamp set, Framed By You, in Magenta Madness ink. You will stamp them onto the Whisper White cardstock and the blue tape. The ink will sit on top of the blue tape so be careful not to smear it. Next, stamp the leaves in Old Olive ink and then then the smaller flowers in Daffodil Delight ink. When you're happy with your masterpiece, carefully remove the blue tape. (Please note: the photo below is not the card pictured above - it was one of my practice pieces).

- Stamp the sentiment in the area where the blue tape was removed using Memento Ink and the stamp set, Celebrate Sunflowers.
- To complete the card, add three sequins.
